Cancellation Policy

I fully understand that unforeseen circumstances arise and that sessions may need to be cancelled or rescheduled. Please give at least 24 hours notice when cancelling or rescheduling.

If 24 hours notice is not given, or if you do not show up for your appointment, understand that you will be charged for the full session.

If I am able to fill the time slot, you will not be charged.

If you are someone who needs a reminder, please let me know and we can arrange for a reminder phone call.

Thank you.

I have read the Cancellation Policy and I understand that I need to give at least 24 hours notice if I need to cancel or reschedule a session. I also understand that if I do not give at least 24 hours notice, or if I do not show up for my session, I will pay the full session amount.
